

PROTECTING TODAY'S WATER. PLANNING TOMORROW'S SUPPLY

PUBLIC OPEN HOUSE

- Learn how two new wells will strengthen Fullerton's water supply – improving both quality and quantity.
- Hear why decommissioning abandoned wells is essential for protecting groundwater.
- Join us at the Open House to see how the City is investing in a safe, reliable water future for our community.

OPEN HOUSE LOCATION

Wednesday, January 14th

5:30 to 7:00 PM

First Bank & Trust Community Room

230 Broadway - Fullerton
